## This Is Your Life

### An American Television Tradition

*This Is Your Life* showcased extraordinary lives and television brought them right into America's living rooms. Creator and host Ralph Edwards honored uncommon people, sometimes famous, sometimes known only to a few and there was always a good story filled with laughter, tears and tender memories as the guest of the evening was surprised by people from their past. Now, for the first time on DVD, 18 of the best loved episodes are available in this three-disc Ultimate Collection featuring comedy greats, Hollywood celebrities, music legends, WWII survivors and Olympians. *This Is Your Life* is of one of television's most enduring classics and is a must for every DVD collection.

"*This Is Your Life* (is) arguably the most successful biography-family reunion show in history." – *emmy Magazine*
